WELCOME

REQUEST FOR PRE-PROPOSALS FOR FY2007 LEGACY FUNDING PROGRAM

An official memo has been distributed requesting pre-proposals for projects that focus on regional or DoD-wide activities, support the military mission, and emphasize crosscutting conservation projects that support DoD initiatives. Legacy also encourages proposals that demonstrate cost efficiencies, ensure time savings, or exhibit new and innovative ways of doing resource conservation on DoD lands.

NEWS

[Policy Calls for Sustainable Construction, Demolition](#)

U.S. Army Environmental Center Reports:

Installations must apply the principles of sustainability as they build, renovate, or demolish their facilities according to a policy issued by Lt. Gen. David Barno, assistant Army chief of staff for Installation Management.

[Search for Former Residents of Capehart or Wherry Housing](#)

Historians are interested in talking with anyone who lived in this type of housing between the 1940s and 1960s. They are currently collecting stories and descriptions of the house layout, construction materials, the yard appearance, along with memories of the neighborhood until July 15th.

Please e-mail [Chris Heidenrich](#), historian for R. Christopher Goodwin & Associates Inc., or call her toll-free at (800) 340-2724.

[Iraq and Poland Working Together on Archaeological Issues](#)

Iraq and Poland are actively pursuing ways to preserve and resume current research in Iraq. The countries are working on an 11-item agreement which allows the continuation of Polish directed excavations that focus on Mesopotamian culture, conservation efforts, and the curtailing of the looting of the country's artifacts.

[NAVY SEARCHES FOR BONHOMME RICHARD](#)

Next month a survey will be undertaken in the rough waters of the North Sea to search for the shipwreck of John Paul Jones, father of the US Navy. Cutting edge technology and new predictive model applications are hoped to narrow down the location and ultimately reveal the grave site of the *Bonhomme Richard*. On 23 September 1779, Jones' ship engaged the *HMS Serapis* in the North Sea and lost. Captain Richard Pearson, commanding *Serapis*, yelled out to Jones, asking if he surrendered; Jones' replied, "I have not yet begun to fight!"

LEGACY RESOURCE MANAGEMENT PROGRAM

The Legacy program was established by Congress in 1990 to provide financial assistance to DoD to preserve our natural and cultural heritage. The program assists the DoD in protecting and enhancing resources while supporting military readiness. A Legacy project may involve regional ecosystem management initiatives, habitat preservation efforts, historic preservation projects, archaeological investigations, invasive species control, Native American consultations, and/or monitoring and predicting migratory patterns of birds and animals.

See www.dodlegacy.org for more information.
