Ergo Cup® Competition

Submission deadline: November 24, 2008

Be recognized as the ergonomics innovator you are! Enter the annual Ergo Cup® award competition and showcase your most successful ergonomics solutions.

The Ergo Cup award, sponsored by The Ergonomics Center of North Carolina and presented by the Institute of Industrial Engineers, is among the most coveted honors in the world of ergonomics. The Ergo Cup recognizes excellence in the areas of innovation, simplicity, cost savings, ergonomic risk and presentation quality in three categories: Team-driven Workplace Solution, Engineering/ Ergonomist-driven Workplace Solution, and Training and Education.

If your team is selected as an award finalist by the panel of judges, you will attend and exhibit your solution at the conference. You will also have the opportunity to visit the other competing teams' exhibits and attend conference sessions.

For more info about the Ergo Cup and an application, go to:
<http://www.x-cd.com/applied09/ergocup.cfm>
