Ser N4E/3117

09 NOV 1994

Dear Community Resident:

Naval Station Mayport is committed to receiving community input on environmental cleanup activities at the Station. The existing Technical Review Committee (TRC), the group currently designated to review environmental cleanup plans and actions, will be expanded so that additional community members will be included. This newly expanded group will be the Restoration Advisory Board (RAB). The members chosen for this new RAB will reflect the diverse community interest of our area and will have the opportunity to provide input into the Navy's environmental cleanup programs at Naval Station Mayport.

Naval Station Mayport will host a public meeting to discuss the purpose of the RAB and the RAB selection process. The formal presentation will be followed by an informal question and answer session. This meeting will be held on:

**Date:** Tuesday, December 13, 1994  
**Time:** 6:30 p.m.: Presentation by Naval Station Mayport  
**Place:** Fletcher Senior High School  
700 Seagate Avenue, Neptune Beach

Anyone interested in applying for membership in the RAB should fill out the enclosed application form. This form can be returned at the public meeting or mailed to the Public Affairs Office at Naval Station Mayport. Applications are due no later than January 13, 1995. If you would like to remain on the mailing list to receive future information about environmental cleanup activities at Naval Station Mayport, such as the quarterly newsletter or fact sheets, please return the enclosed card.

Please take the time to read the enclosed fact sheets and consider applying for membership on our RAB. I encourage you to direct any questions about the RAB to Cheryl Mitchell of my Environmental Division at 904-270-6730. I look forward to receiving your application and hope to see you at the public meeting on December 13th.

Sincerely,

A handwritten signature in black ink, appearing to read "SCOTT T. CANTFIL", written over a horizontal line.

SCOTT T. CANTFIL  
Captain, U.S. Navy  
Commanding Officer
